Commission

NHS
Health Education England

5. Reports from some of the main organisations doing things to improve people's care saying what they are doing. This includes what is happening on the reviews of people's care.

We will hear from:

- NHS England
- The Joint Improvement Team
- Care Quality Commission
- Health Education England

You can ask questions about what they have said.

We will agree what happens next on some things.

6. What is happening on all the other actions people said they would take after Winterbourne View? We will hear about:

- Right care, right place
- Regulation, inspection and corporate accountability
- Good practice, advocacy and engagement
- Information and data
- Medication, positive behaviour support & physical intervention
- Workforce
- Children and transition

And what our plans are to tell other people about what is happening.

You can ask questions and say if you agree that this is actually what is happening or if there is anything missing.
