THE FUTURE WE SEEK

**WE ALL WANT TO LIVE
IN THE PLACE WE CALL
HOME WITH THE PEOPLE
AND THINGS THAT WE
LOVE, IN COMMUNITIES
WHERE WE LOOK OUT
FOR ONE ANOTHER,
DOING THINGS THAT
MATTER TO US.** #socialcarefuture

Nightmare or Dream?

How can we stop caring for people?

How can we stop Smithfield commissioning?

What do we do about the Field of Nightmares?

How can we be...

more human?

more person-centred?

more connected?

We support people to plan for important life changes, so they can have enough time to make informed decisions about their future.

I am supported by people who listen carefully so they know what matters to me and how to support me to live the life I want.

I have people who support me, such as family, friends and people in my community.

I have a place I can call home, not just a 'bed' or somewhere that provides me with care

What's stopping you?

We have conversations with people to discover what they want from life and the care, support and housing that will enable this, without restricting solutions to formal services and conventional treatments.
